RECYCLE TO BE GREEN

Welcome back to the lake. Keep on putting trash and recycles in separate bags and not tying the recycle bag. Thank you!!! Rick

BEACH SAFETY

Beach safety is each family's responsibility. Please accompany your child to the beach. There is no lifeguard on duty at the beach; however there is emergency equipment for the beach on the southeast corner of the beach store. An emergency telephone is on the southwest corner of the store.

SEWERS:

Please do not put tampons, baby wipes, and disposable wipes in the toilets. They can clog the septic lines. If they clog, it could affect several units.

PARK SECURITY

Park security is a joint effort. Even though we are a very safe RV park, it is always a good idea to take precautions. Keep poles and tackle out of sight if you leave equipment in your boat. Lock car and trailer doors when you go out on the lake. Watch out for your neighbor and have your neighbor watch out for you. Please report suspicious activity to the Resort Office.

TREES:

Reminder- once again no fasteners, nails, screws, cables, wire fastened to the trees or utility poles. The maintenance men will be removing them as it comes to their attention.

SPEEDING AND PARKING

Please drive slowly through the park. There are many children and grandchildren in the park and we do not want anyone to be injured by a vehicle. Please park on your own lot or in the over flow parking lot. **Do not park on your neighbor's lot. PLEASE DO NOT PARK ON ANY UNOCCUPIED LOT -ALL UNOCCUPIED LOTS ARE RESERVED FOR THE HOLIDAY WEEKEND.**

DOGS

Please refer to Park rule #4: pets are permitted only if kept leashed and they do not disturb your neighbors. **Dogs must be kept on a leash at all times.** There are several who are leaving their pets unattended and the barking is disturbing your neighbors. **No dogs are allowed on the beach or in the swimming area. PLEASE CLEAN UP AFTER YOUR PET WHEN YOU ARE WALKING YOUR PET OR WHEN YOU WALK IT AT YOUR SITE.**
